About the event

ABTA's new training day will enable marketers in the travel industry to gain a sound understanding of campaign tracking and GA4 and how it can be used to improve **marketing campaigns, capture data and measure success**.

Designed to improve the understanding of how customers engage with your business, GA4 will replace Universal Analytics on 1 July 2023. It is imperative that you are prepared for the switch and the impact that it will have on your business and marketing campaigns.

ABTA's practical training day will get you up to speed on what the changes are, the benefits they can bring and how to get started with implementing GA4.

The day is being run by Andy Heading, CEO, Adido who will use practical sessions to guide you through the change-over process including demonstrating the use of GA4 in data collection and top tips for reporting and measuring campaign success.

Benefits of attending

- **Gain an understanding of GA4** and how it is different to Universal Analytics.
- Get practical insights into **making the switch to GA4**.
- Discover how to **improve your marketing with GA4** reports.
- Learn how to **apply tracking** for all your marketing campaigns.
- Get tips on **measuring engagement** across your campaigns.
- Discover how to combine **web and app data with cross-platform tracking**.
